

IF YOU SUSPECT A STROKE REMEMBER TO ACT F.A.S.T

F - FACE

Check their face. Ask them to smile and then look to see if one side is dropping.

A - ARMS

Ask them to raise both arms. Is one of their arms drifting downwards?

S - SPEECH

Ask the person to repeat a short sentence. Are they slurring any words?

T - TIME

If the person shows any of these signs it is time for quick action. Call 911 immediately.
